

***Dr. Teshina N. Wilson DO***

Originally from the East Coast, Dr. Wilson has been in the Bay area for the past 5 years. Dr. Wilson has worked with TPMG-Kaiser Permanente

for the past 3 and a ½ years. She attended The George Washington University in Washington, DC where she obtained her bachelor's degree. After graduation, she worked in microbiology research before applying to medical school. She attended the NY Institute of Technology – College of Osteopathic Medicine. She completed her internship and residency training at UMDNJ-SOM (now called Rowan University School of Osteopathic Medicine) in

Southern NJ. Prior to working with TPMG, Dr. Wilson worked in community medicine (federally qualified health centers) for 5 and a ½ years. She lives in the East Bay with her husband and enjoys reading and crossword puzzles.
